DISCONTENT TAKES PURSE AT ALAN IN SPITE OF W. H. FIZER'S FEARS.

Officials Decline to Excuse Horse and He Scores at Long Odds-Jockeys Frasch, Keogh, J. McIntyre and W. Fischer Reinstated.

Spokane, Wash., May 29.—Muddy track conditions prevailed at Alan today. Two favorites were among the winners, and the layers had a profitable aftermoon. The races were keenly contested, all being marked by driving finishes. Sidon, recently acquired by Lester & Atkinson from F. J. Grefer, scored at the liberal odds of 8 to 1.

W. H. Fizer tried hard to have Discontent excused from the sixth race, claiming that the horse was slightly fit with a cold in the head. The judges declined to seratch the horse and he won. He ran close to the pacemaker and responded to his rider's urging in the final sixteenth, outstaying Maromara and Figent at the finish.

Jockey Willie Hopkins arrived this morning from Toronto and had a mount on Henry Hutchison, which was the first horse to start in the colors of his contract employer, C. W. Pelham.

Jockey Groth was ordered by the judges to accept no more outside mounts and to confine his riding to his contract employer, Wade McLemore.

The judges have restored the following riders to good standing: Jockeys Frasch, Keogh, J. McIntyre, and W. Fischer. The board of stewards after looking into the matter thoroughly, decided that the riders were blameless of the charges that were made against them.

The stable of Capt. E. Turner Mead, eight head in number, arrived this morning from British Columbia. Among them is a Coeur d'Alene Dechy candidate, Pepperino, a highly bred English colt by Marco-Flitters, and therefore a brother to Bron zino, a noted racer that recently sold in Eugland for a large amount of money.

The meeting is going alone satisfactorily to the management. The patronage has been up to expectations to date and racing appears to be firmly established in this locality.

#### DEPOSED EPSOM DERBY FAVORITES.

#### Signal Defeats of White Star and Lomond Cause Confusion in English Betting Market.

Over in England critics are greatly torn upon their minds over the outcome of the now near at hand lepsom Derby, which will be run June 5. In the winter and early spring betting Lomond and White Star were steadily the favorites, but the American coll Sweeper II. effectually settled the pretentions of White Star in the Two Thousand Guineas. Bat Lomond remained favorite despite the undeniable merit of Sweeper II. s victory in the first classic of the year, and so remained until the running of the Newmarket Stakes at Newmarket May 15. This race is a dash of a mile and a quarter, the starters and the order of the finish being Cylgad. Tagalie, Catmint, White Star and Lomond. Lomond, ridden by Frank Wootlou, was a 6 to 5 on favorite, but was the first horse beaten, and his totally unexpected showing brought dismay to his supporters and panic to the betting market. Then to make matters worse, King George's colt, Pintadeau, on the following day, won the Payne Stakes at a mile and a half, and in doing so ran the distance in the remarkably fast time of 2.29% with 124 pounds. This race exploded another Derby choice, for Hall cross was a bot favorite at 7 to 4, but ran unplaced to Pintadeau, St. Neots and Montecello. Altogetier, the racing of three-year-olds at the Newmarket Second Spring Meeting brought about an extraordinary state of confusion and quite logically made Sweeper II. a decided favorite for the world's most

second Spring Meeting brought about an extraordinary state of confusion and quite logically madeSweeper II. a decided favorite for the world's most
famous race. However, the race is not conceded to
Mr. Durgea's good son of Broomstick by any means,
the average state of opinion being well expressed in
the following article by "Special Commissioner," in
London Sportsman of May 18:

"It is very interesting to note the positions taken
up by those who still profess to have reasoned opinions as to what will win the Derby. The White
Star men will, of course, remain obstinate and continue to lose their money, and, though losing it,
will declare that the three-year-olds are bad. The
Lomond party may still find salvation; or perhaps it
really is impossible to train a Derby horse at Epsom,
it cannot see why not, but then I cannot see everything, and certainly there was something dendly
amiss with Lomond this week. Cracked heels, boils,
blains, or whatever you may debit him with—item a
slight overreach during the race—these things in no
way account for his hopeless performance, except in
so far as they may be outward and visible signs of
some inward and ungracious trouble. Nothing would
surprise me less than to find that Lomond had a
high temperature and was seriously ill after his
race on Wednesday. As to that we shall know more
in a little time.

some inward and ungracious trouble. Nothing would surprise me less than to find that Lomond had a high temperature and was seriously ill after his race on Wednesday. As to that we shall know more in a little time.

"The question has arisen seriously as to whether his Majesty may not win the Derby with Pintadeau, and the extraordinary improvement made by this colt really justifies some hope in this direction, but I have an idea that St. Neots, with this race in him, will be upsides with the royal colt, and I do not believe in either one or the other to beat Sweeper or Cyigad. I shall be obliged if Messrs. Weatherby will explain why he is described as Sweeper II., while we have Alice, Yauban, and Labrador still permitted on the turf without a numeral. Sweeper was anything but Sweeper II. in the Two Thousand Guineas, and if he should win the Derby why should he still be called Sweeper II. I have a long experience and a pretty good memory, but I remember no horse called Sweeper who deserved to be remembered until this one came along. "On first thoughts, after his defeat on Wednesday, most people naturally enough put Lomond out of the Derby altogether, but it is well to consider the situation more carefully, inasmuch as the running cannot possibly have been correct so far as Mr. Hulton's colt was concerned. I have seen many strange things happen when a colt has been asked to really stretch himself for the first time in a season. The stock instance was the absurdly bad show made by Persimmon when he was galloped with two platers at the Craven meeting of his year. I was present, and have the performance well in mind. Persimmon was struck out of the Two Thousand Guineas the same day, and there is little doubt that if he had been started for that race he would have been beaten as easily as Lomond was the other day. Nevertheless additional work sufficed to convert, Persimmon into the Derby winner, Having regard to this precedent. I cannot think that it is wise to condenn Lomond absolutely because he has done very badly i

#### THIRTY LEADING MONEY-WINNING HORSES OF 1912

Among the horses of 1912 the distinction of having won the most money to date rests with Sain's three-year-old son, Heresy, closely followed by another three-year-old in the Kentucky Derby winner, Worth. Next in the list is the useful two-year-old, Helios, followed by the four-year-old, Star Charter. Of the thirty leading winning horses four are two-year-olds, nine three-year-olds, nine four-year-olds, three five-year-olds, three six-year-olds, one seven years old and one eight years old, the veterans being Magazine and Berkeley. It is an unusual circumstance to find horses so old figuring in a list of this kind. The records of the thirty leaders are now:

#### CONDENSED HISTORY OF THE MEMORIAL HANDICAP

After having been dropped from the Latonia program in the years subsequent to 1909, what was formerly the Decoration Handicap has been revived and restored to Latonia racing, with its named changed to Memorial Handicap. As such it will be the star feature of the opening day of the Latonia meeting to demorial Handicap. As such it will be the star feature of the opening day of the Latonia meeting to day. In its old days it was productive of much in the way of high-class racing and horses famous cast and west contested its honors. Its first winner, Tenton, carried only 105 pounds, but afterwards at Washington Park he proved his right to be accounted a capital race horse by taking up 120 pounds and whining the more valuable Wheeler Handicap in the fashion of a real crack. The famous little mare, Ida Pickwick, won it in 1892, being, with the exception of the Canadian-owned Reservation, the only herse to win it twice. Reservation scored in the consecutive years 1903 and 1904, and for a rarity in racing. Fonsoluca was second to him in each year. Kingston's conqueror. Marlon C., "Lucky" Baldwin's fast and staying gray horse, Gallado, and the subsequent Suburban Handicap winner, Tillo, were other noted horses that won it in its early years. In its last running prior to this year Thomas C. McDowell's trusty mare, King's baughter, took up 122 pounds and won it in its fastest recorded time at its present distance. The record of the event is as follows:

1 1-16 miles. Not run since 1909. Known as Decoration of Like the case of White Star, who in both Two Thousand Guineas and Newmarket Stakes ran very prominently, and was fairly and squarely beaten by opponents who could overstride him. Lomond never at any part of his race looked dangerous, and he was certainly the first horse beaten. Even in his two-year-old days had he been running three-year-olds at evens he would have done better than he did on Wednesday, and it will be particularly interesting to learn what work Mr. Wootton is able to give him, and where, between now and the Derby. The difficulty of getting him to any of the neighboring race courses to gallop is a very serious one, and it might be no bad plan to, if possible, make arrangements for him to stay at Hurst Park or Kempton, and finish his preparation there. Lines has some capital springy gallops at East Clandon, and I am sure he would oblige with the use of them, if asked to do so; but, in any case, I think we may anticipate with some confidence that we shall see another sort of Lomond on the Derby day.

"It was something strange, indeed, to read 'also ran: White Star and Lomond' in the abbreviated evening reports of the Newmarket Stakes, for which there were only five runners; yet a courreous correspondent—anonymons, of course—takes me to task for having ventured to anticipate that these two fallen favorites would at least finish in the first three. He gives me no credit for having taken Cylgad to beat White Star in their places, which I did, and, what is wore, wrote, after the Two Thousand Guineas, that Cylgad was salvays one of my best for the classics. He is a sure stayer, and capable of much improvement before Derby day. It is not certain that Tagalie will oppose him again for that race, though it is on the cards that the Derby may be easier to win this year than the Oaks, but in any case I should expect Cylgad to beat Mr. Raphael's good filly. Those who thought Tagalie ought to have won l

Tagalie for such a double.

"At present Sweeper II. is rightly enough the Derby favorite, but he may not stay quite so well as Cylgad, which is coming on every day. Yet it is not unreasonable to claim that, with the possible exception of Belleisle, Sweeper II. was really the best two-year-old of last year.

Anybody could see that he would have beaten

White Star at Newmarket last July had Muussebeen able to keep him in the course. He finished in front of Lomond at York, and he beat White Star in the Middle Park Plate. There is but one colt with higher claims, and that is Absurd, which is not in the Derby. Absurd was a mere clotheshorse on the Two Thousand Ginieas day, but when he gets strong and muscled up he will do something very considerable, though he may perhaps not stay more than a mile. We are certainly in for a Derby that should be a really good betting race, and dark outsiders at Kingsclere and elsewhere are beginning to be talked about, while the usual parrot cry is passed along that all the three-year-olds are bad. I have already stated my opinion that they are considerably above the average and no useful inference can be drawn from the defeat of Hall Cross over a mile and a half, for he does not stay, as it was easy to anticipate from his breeding. Cylgad certainly beat White Star further than Sweeper II. did, and Sweeper II. has the little touch of native American taint in him. remote though it is, and well bred though he is in all other respects—save that he dees not descend from one of M. Halbronn's Juments Bases'—and for this reason. I am inclined to slightly prefer Cylgad for the Derby, without, however, for a moment regarding Lomond as an extinct volcano. In his case we must simply suspend judgment.

"There is no certainty that St. Neots is not going to take his place among the best of his year. He has inherited the sluggish temperament as well as the stamina of his sire, Isinglass, and racing may sharpen him up to a surprising degree. Satisfactory as the performance of Pintadeau was when wining the Payne Stakes, it is open to question whether St. Neots was not running on the more strongly of the two in the last half furlong, and the result might be reversed if they were to meet agains. St. Neots is not only a son of Isinglass, but his dam. St. Neothite, has already bred an Ascot Cup winner. Bomba. Catmint must not be forgotten, thought his

# WET TRACK FOR OPENING

LATONIA CARD IS PROMISING IN SPITE OF UNFAVORABLE TRACK CONDITIONS.

High Class Band Named to Start in the Memorial Handicap-Preparations Made for Handling of an Enormous Crowd.

Cincinnati, O., May 29.—All chance for a fast track on the opening day at Latonia went glimmering when a hard rain began early this morning and continued intermittently throughout the day. As a result of the adverse track conditions, the entry list for the opening day is rather light, but some of the best racers in the country are carded among the prospective starters. Everything is in thorough readiness for the opening and if good weather prevails tomorrow it is expected that one of the largest crowds ever seen at the katonia track will be on hand. Local interest in the sport this season seems to be much keener than formerly. There are also many more visitors than usual. Every prominent hotel is filled with racing folk and more are arriving on every train. The eastern delegation will be especially strong.

The bulk of the horses that were at Churchill Downs are already at Latonia, and additions are expected tonight and tomorrow. Those trainers whose horses arrived this afternoon were obliged to unload in the rain. No mishaps attended the transfer of the big consignments and all the horses shipped in good style. Among today's arrivals were the horses of J. R. Wainwright, E. R. Bradley, F. J. Pons, R. F. Carman, W. M. Wallace, Weber & Ward, G. W. J. Bissell, H. Oots, A. Baker and W. Perkins.

General Manager John Hachmeister is elated over the favorable prospects for a successful season of racing and expresses the bellef that the present session will eclipse in brilliancy any meeting ever before held at Latonia.

The Memorial Handicap, with a probable value of 7 racing and expresses the bellef that the present session will eclipse in brilliancy any meeting day card and, considering the unfavorable track conditions, has attracted a high class field. It is expected that at least six horses will go to the post and Secretary Maginn is sanguine that one or two may be added to the list sent out. Those likely to contest the race, with their riders, are: High Private, J. Loftus; Granite, J. Henry; Round the World, Borel

pervision of the paddock, will also arrive in the morning.

Harry F. Breivogel, who is assisting Matt J. Winn in the management at Juarez and Churchill Downs, will be one of the supervisors in the counting reom at Latonia.

Nearly all the followers of racing who were at Louisville arrived this afternoon.

There will be an automobile race meeting at the Laurel track June 28 and 29. The two-year-old filly, Oneida, has been a profitable investment for all three owners in whose colors she has so far run, namely, F. R. Hitchcock, J. W. May and W. A. McEnery.

F. D. Weir had the misfortune to lose the three-year-old Ornet at Churchill Downs last Sunday night. The colt was stricken with colic and had to be scratched out of a race last week, but the rapid development of a tumor is said to have caused his death.

night. The colt was stricken with colic and had to be scratched out of a race last week, but the rapid development of a tumor is said to have caused his death.

Representative Labarre, of New Orleans, who introduced a local option bill in the Louisiana Legislature on Tuesday, said of his action: "This bill is introduced as a consequence of the pledge I made the people. I came out flatfooted in favor of racing, even going so far as doing so over my signature in a circular addressed to the voters."

Newton Bennington, who at one time figured prominently as a racing owner on time figured prominently as a racing owner on the New York tracks, has taken legal steps to obtain his release from the Middletowu. N. Y.. State Hospital for the insane, which he voluntarily entered after a nervous breakdown some years ago. The hospital authorities refuse to release him without a court order.

Jennie J., the dam of the Pelmetto Derby winner, Jawbone, has foaled a filly by Jack Atkin at Barney Schreiber's farm in Missouri. Mr. Schreiber has many fine foals this season and he also owns one of the best bands of yearlings he ever raised. He has about concluded to do no marketing of his yearlings abroad in future. He thinks racing conditions have begun to improve in this country and that themarket in the near future.

For months past, says The Melbourne Australasian, the representatives of the leading racing clubs have been engaged in thinking out a set of rules which shall apply to all Australia. There is not much difference in the various rules now. They are all founded on the English Jockey Club code, but has been announced that an inality has practically be held during the A. J. C. meeting to give the practice before next season.

It is interesting to learn from an old paper in the first Queen's Plate competed for in Canada was at horse owned by G. W. Yarker of Toronto. At the Montreal races the previous year Mr. Yarker won the Turf Club Purse and the Governor-General's Cup with Midas, and the Garrison Plate and the City Purse

#### P. Clark. ANSWERS TO QUERIES.

Communications without names and addresses will not be noticed nor answered. No answers will be sent by mail and none by wire unless reply prepayment is made at time of wiring query.

L. L., St. Louis, Mo. Upright was not a starte at Electric Park Tuesday, May 21. J. L. M., Chicago. The thing backed was the jockey mount and since it ran unplaced, the bet lost jockey mount and since it ran unplaced, the bet lost.

B. M. R., St. Louis, Mo. Chapultepec, carrying 112 pounds, ran his three-quarters of a mile in 1:11 over the Santa Anita track December 28, 1908, it being the fastest track in the United States. Prince Ahmed, carrying 117 pounds, ran in the same time over the Empire City track July 29, 1909. Priscillian carried 113 pounds when he ran three-quarters in 1:1 over the Hamilton track June 19, 1911. With these facts as a basis you can work out the other problems to suit yourself, but you can rely upon it that of the three, Priscillian was and is much the fastest and best race horse. The Empire City track is somewhat faster than the Hamilton track.

#### SPRITE'S LATONIA DERBY STATUS.

Trainer W. H. Karrick was correct in saying at Louisville that H. K. Knapp's fine filly Sprite would only be required to carry 117 pounds in the Latonia Derby, someone having stated that she had earned a penalty at Lexington. The penaltizing section of the conditions of the Latonia Derby reads: "Winners in 1912 of a sweepstakes of the value of \$1.500, 3 lbs: of two such or one of \$3.000, 5 lbs." At Lexington Sprite won the Ashland oaks of the net value to the winner of \$1.494.50 and the Blue Grass Value to the winner of \$1.494.50 and the Blue Grass Stakes of the net value of \$1.447, neither being sufficiently valuable to bring her a penalty. Worth's Kentucky Derby victory earned him the limit pen-Kentucky Derby victory him the limit pen-Kentucky Derby victory him the limit pen-Kentucky D

#### BRITISH COLUMBIA RACING PROGRAM.

Vancouver, B. C., May 29.—The racing season in British Columbia will open here at Minoru Park on June 29, under the auspices of the British Columbia Thoroughbred Association. Racing will be continued until the week of August 12-17, during which the Vancouver Exhibition Association will hold its annual fair and exhibition, with races as a feature. Racing will be resumed at Minoru Park August 19 and will continue until September 7, providing for fifty-five racing days at the local track, with the possibility of further racing taking place at Victoria, under the auspices of the Victoria Country Club. Minoru Park is situated on Lulu Island, eleven miles from the center of the city. It was constructed and first raced over in 1909. It is a regulation mile course, seventy-five feet in width, with well-banked turns. The soil is absolutely free from stones and of a resilient nature. Fifteen horses are allowed to start in a race. There are 531 stalls within the enclosure.

The racing association will provide tweive guaranteed stakes, ranging in value from \$500 to \$1,000, including a Derby. The daily distribution of money will be not less than \$2,000. In 1909 the purses totalled \$1,200 daily and last year the daily average was \$1,800. A special feature will be made of hurdle and steeplechase races. The parl-mutuel system of betting will be employed.

#### GOOD HORSES AT BLUE BONNETS.

Montreal, Que., May 29.—The coming meeting of the Montreal Jockey Club at Blue Bonnets promises to have more horses than in any previous season. The amount of money offered by the club has been considerably increased, and the number of high-class racers competing for the purses will be greater than ever. Two special trains from Toronto brought most of the Woodbine horses, though some of the stables are coming by the regular trains. The unfortunate weather and consequent had track during most of the Woodbine meeting kept in the stable many good horses that will be seen here for the first time on the circuit this season. The Blue Bonnets track is in splendid order, not having been visited by much of the abnormal rainfall which was centered about Toronto this spring.

A new company has taken over the racing project at King Edward Park, and will conduct the regulation two meetings of a week each, one in July and the second in August. The company is composed of local business men. The Montreal Driving Chub's running meeting at Delovimier Park, which closed on Saturday, was successful, in spite of some uninviting weather.
